

Sunday Service: A Church of Vision

2.3.14

The Word:

- Sometimes we can be more interested in acquiring knowledge and information in church, than about revelation
- We must be a church of great vision, a church that does not hide away, but a church that goes beyond its walls
- Our vision needs to be far greater than even our own imaginations, our dreams go further than just attending church on a Sunday
- There is a joy that comes no other way than when we abandon ourselves at the foot of the cross and go beyond ourselves, and go out!
- Paul was a man who had vision, he preached in the city, got beat up, thrown out, got himself up, and went back. He rose up, and he had great vision
- The Jezebel spirit is one that works solely to 'get God out'-out of schools, out of homes, out of government, out of churches!
- The weapons of our warfare are not carnal, but mighty in God for the pulling down of strongholds
- What we really need is the presence of almighty God to saturate our lives and change our minds, change our marriages
- We're not just a *church* that needs to dream, we're a *people* that need to dream!
- At Celebration, God has put within us a formidable spirit, into our DNA, to fight on behalf of others
- Everything in the kingdom of God we need to fight for, first we destroy the limitations in our own minds, then we can go out and conquer the giants!

Key Scriptures:

- 2 Tim 3v1-9: "But mark this, there will be terrible times in the last days..."

But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers...lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away! (II Timothy 3:1-5 NKJV)
