

Sunday Service: A supernatural God

8.6.14

CG Notes:

The Word:

- There are two types of people - hurt people and more hurt people
- The devil has real power - but we have been given **authority** over all the enemies power
- There is fruit of bitterness, and the fruit does not lie. When we blame others, there is no genuine repentance
- When we get saved we come to a **supernatural God**, an almighty God of power
- There are levels of the anointing - to the degree we allow the presence of God to come in and manifest in our lives, is the degree God's power will be displayed in our lives
- We are being transformed into God's image, we cannot live in the presence of God and not have our countenance changed. It's an impossibility to not change, e.g Moses was face to face with God, and his face shone!
- We do not have to live under different bondages, depression etc. In the presence of God there is life and liberty- the supernatural power of God
- When Adam and Eve sinned they fell outside of God's presence- moving outside of God's presence brings limitations and restrictions to our lives
- God is life - I'm Him we move and have our being. Remove God and we have no life. When God moves out darkness comes in. But God is light and in Him there is no darkness
- The world will get darker but the glory of God will rise upon you, because He is light!
- We realise the smallness of man - we need God. We cannot do it on our own strength. In His presence we are undone. It's only by the sacrifice of Jesus that we can come before the throne of grace
- God shows us how to come into His presence- we enter his gates with **thanksgiving**, enter his courts with **praise**
- True worship is about God, not about us. We look to Him not and not at ourselves

Key Scriptures:

- Isaiah 32 v 17: "The fruit of righteousness will be peace..."
- Psalm 100v4: "Enter his gates with thanksgiving and his courts with praise..."
- 2 Cor 10v4-6: "For the weapons of our warfare are not carnal but mighty in God..."
