

Sunday Service: The Power of Righteousness

22.6.14

The Word:

- Jesus Christ is a supernatural God. He's right here to meet people and work miracles
- Our God is a healing God. We should get the wisdom of the medical professionals etc, but don't forget that our God is a healing God
- Give God some room in your life to do the miraculous!
- We cannot afford to have any confidence in the flesh, or in people, but our confidence is in Christ alone!
- It's important to know who we are in this life, where we've come from, but none of this is as important as knowing Christ
- Paul says that 'all these things I count a loss', compared to knowing Christ
- Above everything else, pursue Christ, above all else, follow Jesus
- Never exalt our cultures, and our traditions, above the knowledge of Jesus Christ-He is above all!
- Paul says, 'and being found in him, not having our own righteousness...'
- The thing that will get our people ahead in life, is righteousness, doing the right thing. This is the single thing that will get us ahead and make our way successful-righteousness
- There is a blessing that comes with righteousness, this is the thing that 'exalts a nation'. Simply, this is doing what is right!
- In Timothy it talks about fleeing youthful lusts and pursue righteousness
- Many of the afflictions of the righteous man, but God delivers him from them all
- Paul says the **one thing I do**, not the 20 things I dabble in, the one thing I do!
- Heaven is the capital, our church is the embassy, and we are the ambassadors
