

Sunday Service: The Effects of God

6.7.14

The Word:

- The effect of God in a person's life is the **fruit of righteousness**.
- The fruit of righteousness is peace and joy in the Holy Spirit.
- Fruit: the power to produce. Everything we do in life produces something, produces fruit, good or bad.
- We came to a **supernatural** God and to a gospel of power and of change.
- When we meet with God we can't help but change – example of Moses on the mountain – he came down from the mountain and his face was shining with the glory of God.
- Religion removes the power of God; it does all of the Christian 'activities' but without the power and spirit of God.
- We do not come to a man but to an **Almighty God**.
- We need to understand our position in God; we are seated in heavenly places.
- Relationship with God gives us authority and power.
- In God we have **dominion**; this is the greatest level of spiritual authority.
- We need not ask and petition God for what He has already given us, for example He has already given us authority, Scripture tells us this.
- The blessing of God is not reserved for some, but is for all who walk in righteousness.
- The blessing and fruit of the Father falls to, and affects, the sons and daughters.
- As Christians we can, and should, **expect** victory!

Key Scriptures:

- Ephesians 3:14 – 15: "For this reason I kneel before the Father, from whom his whole family in heaven and on earth **derives** its name." **Derives** = place of origin.
