

Sunday Service: Time to Grow and to Go

31.8.14

The Word:

- What God has for us, and has done for us, is also for others
- God wants to increase our faith *to grow and to go*
- We have been born for such a time as this, we could have been born in any era, in any generation, but we have been born in this time
- Definition of infinity: 'Limitless, or endless in space, extent or size. Impossible to measure or calculate, the infinite mercy of God'
- This is how big and how majestic is our God
- In the galaxies, there are more stars than grains of sand on the entire earth
- When we consider how big God is, and yet He cares for us, and the bible says he knows every hair on our head
- And this is the God that the bible talks about, if He is for us then who can stand against us
- God is a big God, and yet sometimes we put Him in a box of our own expectations. But God is an 'outside the box' God
- Our God is able, He is the one who knows, and His word does not return to Him void
- When God speaks, it comes to pass-He said 'let there be light' and then there was light
- How important then for us to go and get the promises of God for our friends, and our family-because His words do not return to Him void. His promises will come to pass
- The bible says that all things work together for good for those who are called according to His purposes

Key Scriptures:

- Esther 4v14: "for such a time as this..."
- Gen 1v1: "God created the heavens and the earth."
- Is 40v26: "Lift up your eyes on high. And see who has created these things..."
- Is 40v12: "Who has measured the waters in the hollow of his hand, or with the breadth of his hand marked off the heavens?"
