

Sunday Service: Transform Not Conform

2nd November 2014

The Word:

- Every time we come into the presence of the Lord, there's opportunity for change
- God wants to shift our church and our mentality to another level in Him
- We don't conform to God, we are transformed by Him
- When we do conform, we are conforming to the pattern of the world
- Change only comes by the revelation of God, He wants to remove false belief systems that have been established in us
- A mind set is an established pattern of thought that has existed a long time, these can cause us to reject God
- Some factors that form our mind sets are - our home environment, education, culture and religion
- Revelation is the heart and mind of God revealed to man
- Unless we are transformed under the power and presence of God, we are limited in the things of God
- God doesn't directly deal with our minds because they are renewed in His presence. He comes to produce change in the heart
- If we have the heart of God, and He will cause us to do everything He wants us to do
- We don't produce the heart and will of God in ourselves, but by His mercy, He lets it flow down into His church
- Every time we sit under the anointing, the Word should be working in us
- As we hunger and thirst, for righteousness, God begins to fill us. Let Him bring the change
- Revelation and change cannot come without genuine **hunger** or **desire**, they also cannot come without **true repentance**
- When we come to God with genuine repentance, we are able to receive breakthrough
- We shouldn't remain as we are, God comes to give us a testimony
