

Sunday Service: Breaking Mindsets around Reaching the Harvest

30th November 2014

The Word:

- God has given us everything we need to walk in all godliness and righteousness
- There is nothing God cannot do, there are no limitations
- God wants to break our mindsets around going to the harvest
- We can't imagine God's compassion for every person on the earth. Let God minister to you His heart of compassion
- God has called us to do even greater things than Jesus did. Do we have the faith to believe it?
- We can be great at worship, prayer and serving but we often find 'going' a challenge
- We need the grace of God to do whatever He has called us to. It's His enabling power
- We are not saved by our works, we have the Holy Spirit to produce in us the character of Christ
- God is calling us to lose our lives for the sake of the gospel. Sharing it is the most fulfilling thing we can do in this life
- God wants to place his heart inside of us. We need to carry His love for people
- If we spend too much time focused on our own lives, how can God put his desires in us?
- Opportunities will arise - we should have eyes to see and ears to hear. Be ready in and out of season
- It all comes back to intimacy with God

Key Scriptures:

- 2 Peter 1v3: "God has given us everything we need for living a godly life"
- Ephesians 2v8-10: "For it is by grace you have been saved"
- Luke 9v23: "Anyone who wants to follow me..."
- Matthew 5v6: "Blessed are those who hunger and thirst for righteousness"
- 1 John 5v3: "For this is the love of God, that we keep his commandments"
