

Sunday Service: Family Series- Building Strong Marriages

5th April 2015

The Word:

- The spirit of antichrist seeks to destroy God's original intention and purpose for family
- The Jezebel spirit hates authority and those in positions of authority
- This is evidenced in the removal of fathers from families
- Social services are trying to fix the endemic condition of broken homes in our nation
- Only God's established order brings true and lasting blessing to our lives
- Divorce results in broken homes, broken families and a lack of identity
- Our identity can only truly be found in our source – our heavenly Father
- We can often feel the pressure to conform, to be like others, but when we know our identity in God we have confidence and security and see ourselves differently
- A person must first be able to love themselves in order to be able to love others
- Love is not a feeling but the value we put on something, a deliberate choice and decision
- Our wives, or husbands are a complement to our lives, not the solution
- A successful marriage is built on sacrifice
- Many marriages break down and fail due to a lack of knowledge and wisdom
- Headship is simply being the initiator, the first to go and establish a godly example

Key Scriptures:

- Proverbs 19v20: "Listen to advice and accept discipline, and at the end you will be counted among the wise."
