BOUNCE 07 DANCE CHAMPIONSHIP UPDATE

Bounce 07 Hip Hop dance championship in SEPTEMBER 14-15TH is set to be an outstanding dance event. We have already had an amazing response from dance studios, crews and schools expressing interest in this year's competition.

In just over 2 years Bounce has become the largest Hip Hop Competition in the South Island of NZ with over 2000 people in attendance in 2006, 350 people actively competing (28 dance crews) and 17 schools participating.

Last year we expanded the Bounce event to give opportunity to Secondary Schools, Intermediate Schools, dance studios and open crews to enter teams into a dance championship to help promote and give platform to a quickly growing sporting and performing arts option. This year we are extending it even further to include Primary Schools, as well a Friday night battle zone event which will include a spectacular display of breaking, krumping and freestyle battling.

The key focus of Bounce is to increase active participation in dance in Christchurch, to provide schools with a high class, professional dance event, and to provide the opportunity for dance crews to perform and showcase their abilities.
